External Account Registration

Instructions for Completing External Account Registration Form

Investigators complete this form to register for use of Stokes Core Facilities. Registration must be completed *before* services are provided by any listed Stokes Core Facility.

Complete and sign this form and deliver to Lori Irvin in Research Administration (via fax is fine). Once registered, the account will be available for recording services by staff in any of the cores marked on the form.

Account registration will terminate automatically based on either the dollar limit or expiration date, whichever becomes limiting first. Automatic advance notification of impending expiration will be sent via email.

Questions may be directed to Lori Irvin at (267) 426-7795.
